

THE LOOK

“LOOK AND FEEL”

Go into detail about how you’re going to approach look and feel. If you used **this** template then the chances are it’s going to feel dramatic!

You might talk about how you are going to lens it, how the camera will move, how the grade might be crunchy and contrasted. Use your words to paint a picture along with yet again more… pictures.

Ideas for interesting transitions? Talk about them, why are you doing them, what will they achieve?
